## Invincible 1G SF System

An aluminium overhead braced system with a high quality leg connection to the floor. Panels are manufactured in a 13mm \* Multi purpose Compact Laminate (solid phenolic core), in a range of pre-finished laminate colours and patterns, with a black polished edge. Natural or engineered slabs of stone are cut to size & adhered to frontals. In addition the stone frontal creates a privacy overlap for total privacy. **An excellent solution for wet areas that require additional durability.**

- Resistant to water damage, graffiti and vandalism
- High recommended for dry & wet area applications
- Suitable for hose out cleaning
- Extremely durable for high abuse applications
- Low VOC emission rating
- Schools, Universities, Clubs & Hotels, Shopping Centres, Sporting Facilities etc
